IV. CATASTROPHIC EVENT PAY

PURPOSE

Establish a policy for Williamson County setting forth the compensation of exempt and non-exempt employees for an activation of the Williamson County Emergency Operation Plan during a declared disaster, catastrophic event, or qualifying event. Nothing in this policy shall be construed as changing the "at will" status of any person employed by Williamson County.

BACKGROUND

Williamson County will compensate those essential employees who are required to work outside of their normal work schedule when assisting in the management of a local qualifying event, or when necessary to assist other agencies in managing events outside of the local jurisdiction. Examples of qualifying events include, but are not limited to, the following:

- A. Certain catastrophic local events including, but not limited to: floods, hurricanes, tornados, and other Acts of God, nuclear, chemical, and biological emergencies, terrorist attack(s), or any other emergency declared by a federal, state or local authority.
- B. When assigned to support an event, internal or external, to the County's jurisdiction; For personnel assigned and deployed to select teams, including, but not limited to: Williamson County Emergency Operations Center and Local, Regional, State and Federal Deployments.

POLICY

1. Non-exempt Compensation

Any non-exempt employee who is recalled to duty during a catastrophic event, who works in- excess of forty (40) hours in a work week, or 86-hours in the pay period for those on the law enforcement pay plan, will be paid overtime for additional hours worked. Note that the general rules of compensable time apply to work performed under the circumstances covered by this policy. Refer to the Williamson County Handbook or contact Human Resources if you have questions about what is considered compensable time.

2. Exempt Compensation

At the Commissioners Court discretion, any salaried exempt employee who is required to work hours in-excess of their normal work schedule (eighty hours in a pay period) during a declared disaster, Catastrophic Event, or qualifying event as outlined in this procedure may be compensated during the declaration period at a determined hourly rate. Only pay periods with hours worked that equal or exceed 88 hours and at least 8 hours for the event, should be submitted for possible compensation.

V. FINANCIAL POLICIES

1. **Fund Balance Policy:** Williamson County recognizes the financial importance of maintaining an appropriate level of Unassigned Fund Balance. A formalized Fund Balance Policy demonstrates to the taxpayer fiscal prudence and the ability to meet its obligations in a timely manner. Independent financial analysts rate the county's financial stability. The county's credit strength and strong management control reported by these analysts is, in part, a result of this Fund Balance Policy.

Williamson County will maintain reservations of Fund Balance, in accordance with Governmental Accounting and Financial Standards Board Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions. This Policy shall only apply to the County's governmental funds. Fund Balance shall be composed of non-spendable, restricted, committed, assigned and unassigned amounts.

2. **General Fund:** Unassigned Fund Balance represents the difference between assets and liabilities that is available for appropriation.

Williamson County will maintain an appropriate level of Unassigned Fund Balance in the General Fund to protect against a reduction of services due to temporary revenue shortfalls or unexpected one-time expenditures. It also helps to ensure stable tax rates. The level of Unassigned Fund Balance for the General Fund shall not be less than 35% of total General Fund budgeted expenditures.

The goal of each year's budget process will be to adopt a budget that maintains compliance with the General Fund Unassigned Fund Balance Policy. If it is determined there is a surplus (an amount exceeding the target limit), the funds may be designated or appropriated for the following, including, but not limited to:

- Tax rate stabilization.
- Only one-time, non-recurring expenditures, such as capital improvement needs.
- Address any shortfall in related funds, i.e. Road and Bridge Fund.
- Reduction of debt; to include capital leases.

If it is determined there is a deficit (an amount below the lower limit), the County must develop a plan to rebuild the Unassigned Fund Balance to 35%.

3. **Tobacco Fund:** The initial distribution of Williamson County’s share of the settlement established the fund in 1999. Revenues to the fund consist of interest income and the annual distribution by the state of the state trust earnings. To ensure continuation of the fund, the Williamson County Commissioners Court has designated the portion of fund balance representing the amount of the original settlement (\$2.5M). Designation means that this amount, or “principal” balance, cannot be expended. In addition to the original settlement amount, each year, 20% of the revenues from both interest income and the annual distribution from the state will be added to the designated fund balance in order to allow the fund to grow over time. Only 80% of revenues earned from interest and the earnings distributed annually by the state will be budgeted and expended. When determining the next year’s budget, the amount available to expend will be calculated using actual revenue and interest revenue amounts from May 1st of the previous year to April 30th of the current year. Any unspent funds at the end of the fiscal year will be available to budget in the next year. If Tobacco Fund expenditures are budgeted to offset expenditures in other funds, the actual program cost to the other Funds will be determined prior to transferring in any dollars from the Tobacco Fund. This available balance will be tracked annually by the County Auditor’s office.

4. **Self-Insured Health Plan Fund Policy:** Unassigned Fund Balance represents the difference between assets and liabilities that is available for appropriation. Williamson County will maintain an appropriate level of Unassigned Fund Balance in the Benefits Fund to protect against an inability to pay for claims and administration associated with the self- insured health plan due to temporary revenue shortfalls. It also helps to ensure stable employer and employee contribution rates.

The Self-Funded Health Plan Fund currently has a “goal of reaching and maintaining 35% of expected claims”. The goal of each year’s budget process will be to endeavor to adopt a budget that maintains compliance with the Benefits Fund Unassigned Fund Balance Policy.

If it is determined there is a surplus (an amount exceeding the target limit), the funds may be designated or appropriated for contribution rate stabilization.

If it is determined there is a deficit (an amount below the lower limit), the County may develop a plan to rebuild the Unassigned Fund Balance to 25% of expected claims.

5. **Radio Communication Systems (RCS) Fund Policy:** Unassigned Fund Balance represents the difference between assets and liabilities that is available for appropriation. Williamson County will maintain an appropriate level of Unassigned Fund Balance in the Radio Communications Systems Fund to protect against unforeseen operating issues. These unforeseen issues can result from environmental or project related items. It also helps to ensure stable radio user fees for the user community.

The Radio Communication Systems Fund has a “goal of reaching and maintaining 30% of total Radio Communication Systems expenditure budget.

If it is determined there is a surplus (an amount exceeding the target limit), the funds may be designated or appropriated for:

- Only one-time, non-recurring expenditures, such as tower improvements
- Fee stabilization

If it is determined there is a deficit, the Radio Communication Systems Board will develop and recommend a plan to the County to rebuild the Unassigned Fund Balance to 30%.

Use and Distribution of Specific Special Revenue Funds and Accounts

6. **Child Safety Fund:** – This fund is used to deposit a \$1.50 fee collected on each vehicle registration and court costs collected by justice, county, or district courts for violations that occur within a school-crossing zone of \$25 per violation. This fund is used to provide a school crossing guard program and/or programs designed to enhance child safety, health, or nutrition. The Commissioners Court, by an order adopted in October 2010, has directed these funds to be distributed in the following manner: 10% of Total Collections less an administrative fee shall be distributed to the Williamson County’s Children’s Advocacy Center. The remainder shall be distributed to the school districts on a pro rata basis based on attendance. These funds will be distributed annually after the close of the prior fiscal year.

7. **School Fund:** Williamson County maintains a working interest ownership in two natural gas producing properties located on what was formerly county-owned property. The mineral rights that have been retained are designated to be distributed to school districts within the county based on the number of students who reside in the county. This distribution will occur annually at the close of each fiscal year and will coincide with the distribution of the Child Safety Fund proceeds.

8. **Employee Fund:** The Employee fund is used to deposit proceeds collected from Williamson County’s vending machine contract. Use of these funds must be **pre-approved** by the County Judge.

These funds may be used for the following purposes:

No reimbursement of sales tax will be allowed.

The amount allowed for use may never exceed the actual balance in the fund.

9. **WM-City of Hutto and Hutto ISD Fund:** The WM-City of Hutto and Hutto ISD Fund consists of proceeds paid by Waste Management annually. Per the agreement, these funds represent 2% of the Tip Fee and are to be expended for the benefit of the City of Hutto and Hutto ISD. The expenditures are at the County's sole option. The annual distribution will be allocated 50% to the City of Hutto and 50% to Hutto ISD. Each entity is required to request any disbursements from the fund.

10. **Williamson County Community Facility Fund:** This fund consists of fees collected through the Williamson County Landfill. Community organizations, groups, and individuals may submit a funding request to the Williamson County Commissioners Court for the construction, improvement, or remodel of community facilities located in Williamson County that serve a public purpose.

11. **Financial – General Procedures**

- a) Any mailings sent by a county department or official using county funds must be in furtherance of legitimate county business and must comply with all state ethics rules and other laws and regulations.
- b) All county meetings should be held in county facilities whenever feasible and such facilities are available. If the county meeting space is not available, other publicly owned facilities, such as those owned by cities, utility districts, or school districts, should be utilized as the rental of these facilities is often at little or no cost.
- c) All recruitment items purchased must comply with Article III, section 52 of the Texas Constitution. Thus, the predominant purpose of any expenditures on recruitment materials must be to accomplish a "direct" public purpose and be in compliance with the provisions of this policy in order to ensure that Williamson County receives a return of public benefit from said expenditures. Williamson County recognizes the need to identify, recruit and hire qualified employees.
 - i) Funds for recruitment items must be approved during the annual budget process.
 - ii) Items must not state the name of any individual, but instead the name of the county and/or department or office.
 - iii) "Give away" items such as pens, pencils, etc. should not exceed \$5.00 per item.

All purchases must follow procurement guidelines.

1. Each department head or elected official will identify who they require to maintain a cell phone account in order to conduct official county business. Only regular full-time employees and department heads will be allowed a stipend. The funds for cell phone stipends must be submitted and approved as part of each department's annual budget process.

Disciplinary action up to and including termination may result in an employee who receives a stipend and does not provide their department head or elected official with the proper documentation of cell phone service, if requested. Each department will maintain a list of cell phone numbers for those individuals with stipends for audit purposes.
