By December 31, 2024 - Company will obtain a CO for a minimum of an additional 800,000 square feet of Facility, totaling 3,300,000 square feet of Facility;

By December 31, 2025 - Company will obtain a CO for a minimum of an additional 2,000,000 square feet of Facility, totaling 5,300,000 square feet of Facility;

By January 31, 2026 - Company will obtain a CO for a minimum of an additional 700,000 square feet of Facility, totaling 6 million square feet of Facility;

(b) In the event the Company fails to obtain a Certificate of Occupancy for a minimum square footage of Facilities as described above, subject to Force Majeure and/or the actions or omissions of the County, or if Company discontinues the operation of the Facilities for any reason for more than 180 consecutive days (and in the event of a major equipment repair or retooling the County and the Company shall work to mutually agree to the allowable period of nonoperation), then the County may terminate this Agreement after provision of written notice to Company pursuant to the notice provisions in this Agreement and the Company’s failure to cure within the applicable cure period.

(c) The Company agrees to create a total of 1,800 Full-Time Equivalent Jobs, which shall include the initial Full-Time Equivalent Jobs, as follows:

(1) Company shall create an initial 300 Full-Time Equivalent Jobs by the second anniversary of the commencement of the Term.

(3) Company shall create an additional 900 Full-Time Equivalent Jobs by the seventh anniversary of the commencement of the Term for a cumulative total of 1,800 Full-Time Equivalent Jobs;

Failure of Company to provide the required number of Full-Time Equivalent Jobs at any applicable anniversary of the commencement of the Term shall not be considered an Event of Default unless the number of Full-Time Equivalent Jobs actually provided is less than 70% of the required number. If the actual number of Full-Time Equivalent Jobs is at least 70% of the required number, the percentage of the applicable Grant will be reduced by the same percentage that the actual number of Full-Time Equivalent Jobs bears to the required number of Full-Time Equivalent Jobs.

(d) If the Company has not satisfied the requirements and conditions described in paragraphs (a), (b), and (c) above at the end of any year during the Term, Company shall have an automatic cure period of ninety (90) days after the end of the applicable year to correct such deficiency, but County shall not have any obligation to give Company written notice or notice otherwise concerning any such deficiency.

- (iii) Unless otherwise agreed by County and Company, each Grant Submittal Package shall be in a form as reasonably approved by the County and delivered to Company upon execution of this Agreement. If Company fails to timely submit a Grant Submittal Package for a particular year, then County shall give Company written notice of Company's failure to timely submit such Grant Submittal Package, and Company shall have thirty (30) calendar days calculated from the date on which such written notice is given in which to submit such Grant Submittal Package.

(f) Company agrees to cooperate with the City of Taylor and the Taylor ISD to hire a minimum of 24 teenagers as interns after the second year of operation during the Term.

#### **SECTION 4. OBLIGATIONS OF COUNTY.**

During the Term and so long as an Event of Default has not occurred and is continuing as set forth in this Agreement (provided, however, an Event of Default hereunder shall not be deemed to have occurred until after the expiration of the applicable notice and cure periods as set forth herein), County will comply with the following terms and conditions:

(a) For each tax year during the Term and beginning in the first tax year of the Term, a Grant in an amount equal to 90% of the Ad Valorem Taxes paid by the Company on the Property shall be reimbursed by County to Company on an annual basis upon Company's satisfaction of the requirements of this Agreement. County agrees to process any Grant to be paid to Company within sixty (60) days after the date of approval by County of the Grant Submittal Package.

(b) A ten (10) year extension of the Term will be granted to the Company after the expiration of the first ten (10) years of the Term if the Company has complied with the terms and conditions of this Agreement and obtained a Certificate of Occupation for six (6) million square feet or more of Facilities on the Land. The Grant for the second ten (10) years of the Term will be in an amount equal to 85% of the Ad Valorem Taxes paid by the Company on the Property on an annual basis upon Company's continuing compliance with the applicable conditions stated in this Agreement.

(c) The above-described Grant shall be paid throughout the Term so long as Company complies with the terms and condition of this Agreement. Upon final payment of the Grant, this Agreement shall terminate, and neither County nor Company shall have any further obligations hereunder. All future Ad Valorem Taxes thereafter required to be paid by Company to County shall be retained in full by County, as such may be determined subject to any of Company's rights to challenge or reduce such Ad Valorem Taxes as may exist at such time, or from time to time thereafter.

(d) Company agrees that it is the sole obligation of Company to present satisfactory evidence to County that all due and owing Ad Valorem Taxes have actually been paid to County. If for any reason, the County is unable to verify that the Ad Valorem Taxes were paid to County, County is under no obligation to tender the Grant to Company. County's determination as to the payment of the Grant to Company is final, but shall not be unreasonable.

(e) If Company files a Notice of Protest regarding Ad Valorem Taxation valuations with WCAD, County reserves the option of withholding Grant payments until the protested matters are resolved.

(f) County, acting through its County Judge or his designee, agrees to act as a county-wide liaison with other governmental entities and public utilities, through the construction phase of the Project and thereafter.

## **SECTION 5. EVENTS OF DEFAULT; TERMINATION WITH DEFAULT**

Each of the following shall constitute an event of default under this Agreement ("**Event of Default**"):

(a) Failure to locate the Facilities on the Property based on the terms and conditions as provided in this Agreement or to provide the required number of Full-Time Equivalent Jobs according to the requirements of this Agreement. County shall notify Company in writing of such Event of Default. Company shall have ninety (90) days after receipt of such notice to cure the Event of Default, and failure to do so may result in the termination of this

Agreement by County sending written notice thereof to Company that County's and Company's obligations hereunder shall end mutually as of the date of such notice (unless otherwise set forth herein).

(b) The dissolution or termination of Company's existence as an active business or concern, Company's insolvency, appointment of receiver for any part of Company's assets, any assignment of all or substantially all of the assets of Company for the benefit of creditors of Company, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Company unless, in the case of involuntary proceedings, such proceedings are discharged within sixty (60) days after filing.

(c) The failure of Company to pay Ad Valorem Taxes required to be paid to County.

(d) The failure of County to pay all or any portion of a Grant to Company when due and owing under the terms of the Agreement. Company shall notify County in writing of such Event of Default. County shall have thirty (30) days after receipt of such notice to cure the Event of Default and failure to do so may result in the termination of this Agreement by Company sending written notice thereof to County that Company's and County's obligations hereunder shall end mutually as of the date of such notice (unless otherwise set forth herein); provided, however that Company may pursue such remedies available to it by law or equity, including, specific performance.

(e) If Company shall fail to perform any obligation that does not have an express cure period under this Agreement, then Company shall have thirty (30) days after receipt of the notice of default from County to cure the Event of Default, and failure to do so may result in the termination of this Agreement by County sending written notice thereof to Company that County's and Company's obligations hereunder shall end mutually as of the date of such notice (unless otherwise set forth herein). In the event the default cannot be cured in the time allotted in this Agreement the County may extend the cure period on good cause shown and diligent pursuit of a remediation plan by Company.

## **SECTION 6. TERMINATION OF AGREEMENT BY COUNTY WITHOUT DEFAULT.**

County may terminate this Agreement without an Event of Default, effective immediately, if any state or federal statute, regulation, case law, or other law renders this Agreement illegal, including any case law holding that Chapter 381 Economic Development Agreement grants, such as the Grant included in this Agreement, are deemed to be unconstitutional debt.

## **SECTION 7. GRANT RECAPTURE.**

In the event of an Event of Default by Company which is not cured within the time periods set forth in Section 5 or in the otherwise additional time allowed by County as Company's total cure period, and upon termination by County of this Agreement as set forth above, County may recapture and collect from Company the amount(s) of Grants already paid by County to Company for three (3) years directly preceding the date of the notice of default. Company shall pay to County the foregoing amount(s) within thirty (30) days after the County makes written demand for same. No further Grants shall then be payable to Company and this Agreement shall be of no further force or effect.

In addition to other available remedies under law and equity, the County shall have all remedies for the collection of the amount(s) of the three (3) years of Grants as provided generally in the Texas Tax Code for the collection of delinquent Ad Valorem Taxes other than penalties and interest.

## **SECTION 8. MISCELLANEOUS PROVISIONS.**

The following miscellaneous provisions are a part of this Agreement:

(a) **Amendments.** This Agreement constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.
